

NOTE: These results lists are built from the same tournament database with the same settings as were used to generate the prize lists at the tournament. They are, however, built after the tournament is submitted for rating, without the original prize lists, and not necessarily by the Computer TD of the section. Any discrepancy between these lists and prizes awarded are most likely due to this. We will be happy to confirm any reported discrepancies by players or coaches directly affected by the results. It should be assumed, however, that for any discrepancy the prizes awarded at the tournament were correct and these lists are in error until proven otherwise.
